## Quality

Be a yardstick of **quality**. Some people aren't used to an **environment where excellence is expected**.

~ Steve Jobs

# Get Started with **ABÖD**

**Upgrade your lifestyle** and **start making unforgettable memories** with an ABÖD. We keep our pricing simple so you can focus on choosing the ABÖD you want. Select your ABÖD—either a glasHOUS or DiamondCABIN—and customize it to fit your lifestyle.

That's all it takes to **get started!**

## Process + Payments

### 1 **Onboarding** (Kickoff)

Once you've chosen your **ABÖD**, you will receive:

- Your **build agreement** for review and signature.
  - A nonrefundable build reservation **deposit invoice**. Payment of this invoice reserves your place in our production schedule.
- 

### **Build Sheet** and **Design Session**

- 2 After onboarding, our **ABÖD concierge** will contact you to arrange an online **Design Session** with our **expert designers**. Before the session, you'll receive materials outlining available **configurations**, **packages** and **upgrades** to help you tailor your **ABÖD** to your **desired lifestyle**.

During the session, our designers will work with you using simple **3D simulations** to create your **bespoke Build Sheet** [schematics]. This sheet will specify the configuration, packages, upgrades, materials, colors, and price of your **ABÖD**.

---

### 3 **Build Payment**

Following your **Design Session**, you will receive an **invoice for the purchase** of your **ABÖD**. Your glas**HOUS** or Diamond**CABIN** will then be outfitted according to your **Build Sheet**.

The production, finishing, and shipping process will **start!**

---

### 4 **Delivery, Install, and Handover**

You have **two options** for delivery and installation:

1. **We Arrange:** We arrange pick up and delivery of your **ABÖD** from the port of arrival to your property, typically involving a truck and a crane or forklift. If you've chosen a **glasHOUS**, we can install foundation screws if that's your preferred method of support. Costs will be minimized and invoiced to you.
2. **You Arrange:** You handle the delivery and installation by contracting directly with the vendors of your choice.

Regardless of the method, we will meet you onsite for a **white-glove handover**:

- For **glasHOUS**, we will walk you through all features and how to use them.
  - For **DiamondCABIN**, we will **meet with you and your chosen contractor**, introducing them to the assembly process and providing instructions and instructional videos.
- 

## **ABÖD Warranty**

ABÖD provides a 2-year warranty for our workmanship. Appliances and other third-party equipment are covered by the manufacturer's warranties, which may vary.

The ABÖD workmanship warranty document is provided to all customers as part of our onboarding package.
